The Tudor Barn

Dating back to the 16th century, The Tudor Barn blends historic charm with understated elegance, creating a truly memorable setting for your wedding day. Licensed for ceremonies of up to 120 guests and evening receptions for up to 200, it's the perfect space to take you seamlessly from exchanging vows to your first dance.

Surrounded by sweeping countryside views, every moment feels naturally timeless. Whether you're saying "I do" beneath its original beams or celebrating with friends and family as the sun sets, The Tudor Barn offers an atmosphere that is both romantic and relaxed.

The Tudor Courtyard

After your ceremony, step into the beautiful Tudor courtyard for drinks and canapés of your choice. This charming outdoor space is perfect for relaxing with guests and enjoying the fresh air. With its historic character and views across 70 acres of the South Downs, it offers a stunning backdrop for your wedding photography.

The courtyard provides endless photo opportunities and a tranquil setting to create lasting memories. Whether you're capturing candid moments or group shots, this space ensures your celebration flows seamlessly from ceremony to reception.

The Granary Barn

The Granary Barn combines rustic charm with modern comfort. Its sandstone floor, exposed beams and vaulted ceilings create a warm, inviting atmosphere. Antique cartwheel chandeliers provide soft, ambient lighting, while floor-to-ceiling glazed windows open onto a landscaped courtyard, perfect for mingling and photos.

A spacious mezzanine overlooks the main barn, ideal for a relaxed seating area, entertainment, or a photo booth. For your Wedding Breakfast, Chiavari chairs, dining tables, linen, cutlery, crockery, glassware and a PA system for your speeches are all included. Everything you need for a seamless celebration.
